

2009/2010 Sewer and Storm Drain Repair Schedule

The Town of Belmont will be performing sewer and storm drain repairs in the Wellington Brook Watershed area in order to improve storm water quality. Most of the work is limited to pipes located within the roadway. The Town's contractor EnTech Corporation will be working in the following area this week.

Beech Street December 2 - 5, 2009

Goden Street/School Street December 7, 2009 – January 7, 2010

If you have any questions, please call Ara Yogurtian, Resident Engineer in the Office of Community Development at 617-993-2665.
