

PUBLIC SAFETY COMMUNICATIONS

All of our dedicated 911 Dispatchers have been trained and certified by the Statewide Emergency Telecommunications Board (SETB) and the Association of Public Safety Communications Officials (APCO). The majority of the Communications Staff are either trained as Emergency Medical Technicians (EMTs) or Emergency Medical Dispatchers (EMDs) and all are annually re-certified as American Red Cross First Responders/ CPR Rescuers which includes the use of Automatic External Defibrillators (AEDs).

I am proud of the Public Safety Communications Division and know all of the staff is dedicated to making Belmont a safer community. The communications center is staffed 24-hours a day, 7-days a week by highly trained, highly motivated dispatch professionals. An emphasis on continuous training within the department maintains a level of readiness that we all can be proud of. The department continues to maintain a close relationship with the other Town agencies. Our dispatchers answer many calls for service after hours and on holidays for the Light, Highway and Water Department.
